About Me

Young developer, passionate about technology and innovation. With a strong foundation in programming and a hunger for growth, I thrive in dynamic environments. Ready to bring my enthusiasm and dedication to a team that values creativity and impact.

Experience

Hackathon

2024

- Participated in university hackathon, collaborating with team members to develop innovative solutions within tight deadlines.

Personal Project

Portfolio

- Independently created my own portfolio to showcase my software development skills. Starting from scratch, I imagined and developed an attractive user interface. This project highlights my skills in HTML, CSS, and JavaScript, as well as my ability to work autonomously on significant projects.

Education

Baccalauréat

2022-2023

Bachelor of option OSE

University

Software Development Education

Programming Languages

Front-End

HTML, CSS, Javascript

Framework : Bootstrap

Back-End

C, Python
